CERTIFICATE

We hereby declare, that the willow products which we deliver to ENOR AS meet the general requirements regarding safety and health of EC regulations concerning the articles to come in contact with food products. This declaration complies with Certificate of Health Quality B-BŽ-6071-0297/20/C for products made of wood and willow. The certificate is valid until 10.01.2024

The raw materials are guaranteed by our suppliers as first quality and non-toxic materials, to be used to manufacture articles that will be in contact with foodstuffs.

This declaration does not apply if the products are used for other than original purposes or if the products are modified by the client.
